FIRE PARTIALLY DESTROYS HUTCHINS 3-STORY BUILDING

Fierce Blaze on Sixth Street Last Evening. Threatens for a Time the Property on Either Side of Structure.
A serious fire broke out about 5:30 o'clock yesterday afternoon in the Hutchins building, on Sixth street, and before the flames were gotten under control the interior of the second and third floors were gutted and the rest of the building more or less damaged by fire and water.
The fire broke out on the third floor and was caused by a defective chimney. The Red Jacket fire department, whose hall is just across the street, was promptly in attendance. After some difficulty two streams of water were put in play on the building. For upwards of half an hour after the fire was discovered no flames were to be seen, only a heavy pall of smoke which gradually grew denser. The flames suddenly burst through the roof.
Realizing that the fire was gaining headway, Chief Trudell turned in a second alarm, and the Calumet branch of the C. & H. fire department responded. By this time the flames had spread and were breaking through the roof in several places. One huge volume of flame shot upward from the center of the roof, and commenced to lick its way toward the front of the building facing on Sixth street. A stream of water was directed to the top of the D. D. Murphy residence, which adjoins the Hutchins structure on the south side, and while the progress of the flames was checked to a certain extent grave fears were expressed for a time for the safety of the Curto building on the north side as well as the Murphy building on the south side. After fighting the fire strenuously for more than an hour all danger of the fire spreading was avoided and the flames were confined to the Hutchins building. At 7 o'clock the "under control" signal was turned in, and the fire gradually extinguished.
It was one of the fiercest fires that has occurred in Red Jacket in some time. The third floor of the building was occupied by Mrs. Hutchins. On the second floor was located John Hancock and family, while on the ground floor a barber shop occupied the northern part of the building, and a "chop suey" establishment the southern part.
The loss is \$2,000, fully covered by insurance.

NEW OFFICERS INSTALLED.

Calumet chapter, No. 153, R. A. M., installed its officers last evening at a regular meeting of the chapter. The installing officer was M. M. Morrison, past high priest. James Collie, of Lake Linden, acted as grand captain of the host and Thomas D. Meads as grand chaplain. The installation ceremonies were followed by a lunch.
A special meeting of Calumet chapter will be held Monday evening, January 10, to confer the past master and most excellent master degrees.

ELKS' BOWLING CONTEST.

An interesting bowling contest took place last evening on the Elks' alleys, marking the formal opening of the alleys for match contests, when the Laurium bowling team, captained by Frank Diestel, secretary of the local lodge, defeated a Red Jacket team, captained by Harvey Corneil. The total scores were: Laurium, 2,271; Red Jacket, 2,172. Red Jacket's individual games were 703, 723, and 746, and Laurium's, 695, 850, and 723.

The text is printed in a modified Old English type, with illuminated capitals.

STEVIE KASUN PLEADS NOT GUILTY; HEARING JAN. 3

Steve Kasun, the Seventh street saloon keeper, was brought before Justice Flaher yesterday afternoon to answer to the charge of assault with intent to do great bodily harm less than the crime of murder. He pleaded not guilty, and his examination has been set for Monday of next week, January 3. Bonds in the sum of \$2,000 were asked and furnished. It is alleged on behalf of Kasun that Jovanich, the injured man and complaining witness, sustained his injuries by falling and striking his head, and not by being struck with a beer bottle as alleged.
George Klarich was brought before Justice Jackola yesterday afternoon on a noise and disturbance charge. He pleaded guilty, and was fined \$5 and costs.
Isaac Lahto was called upon to pay \$5 and costs in Justice Curto's office this morning on a drunk and disorderly charge. The alternative was 30 days in jail. Lahto paid.

NORTH TAMARACKS WIN.

The North Tamarack indoor ball team defeated the Light Guards last evening by the score of 20 to 2, in a very uninteresting game. The North Tamarack team played together well, in strong contrast to the work of the Engineers.

OPENING HOCKEY CONTEST AT GLACIADOM WEDNESDAY

Calumet Will Present a Patched Up Line-up to Mohawk Team Tomorrow Evening—Contest Might Be Postponed.
The first hockey contest of the season for the teams of the Copper Country Amateur Hockey league located in the northern end of the county, will take place at the Glaciadom at Mohawk tomorrow evening, between the Calumet and Mohawk teams. Because the local team is in poor condition for this match efforts were made to arrange a postponement until after the first of the year, but after considering the matter thoroughly, it has been practically decided by the managements of the teams that the game will be played as scheduled.
On paper, the Mohawk team looks like a sure winner. The line up will bear little resemblance to that which represented Mohawk last year. At least four new men will wear the Mohawk uniform, Mahan, Hogan and Gray on defense, and Uksilla on the forward line. It is likely that the St. George brothers, Will and August, and Brewer will be the other forwards selected to represent Mohawk. The Calumet team is still uncertain, and will probably be selected this evening. Some of the men who are likely to be seen are, Bateman, Reynolds, Kaiser, John Hermann, Osborne, and possibly Hebard. There is one other position to be filled, but the management can make no announcement regarding it. It is possible that "Dots" Hermann may be prevailed upon to fill the goal position for the first game, but this is uncertain. Hermann is spending his vacation in Calumet.
It is not believed that the game will attract many of the local fans to Mohawk, and no special train or street car service has been announced. Some, however, will avail themselves of the opportunity to see the teams' first real test so that they may enjoy the season's outlook.
